Measuring and Height Card Information:

It is no longer required that you submit a copy of your dog's jump height card with your entry form or show it during day of show check-in. Dogs without a valid Jump Height Card/Form may still compete; but they must be measured/wicketed by the Judge of Record PRIOR to running in their class and this measurement will be valid for that weekend of trials only. However, if a VMO or an AKC Agility Rep is present; all dogs without a valid Jump Height Card/Form must be measured at some time during the trial or cluster of trials. It is the exhibitor's responsibility to have their dog measured prior to running and failure to do so will result in the cancellation of any qualifying scores. **NEW Simplified Jump Height Card Process:** When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog needs to be measured. Please make sure and check that box if your dog needs to be measured.

All exhibitors must be responsible for cleaning up after their dogs on the motel, RV and trial grounds. Motels require that dogs be crated when unattended. Any damages to motels, RV sites or the trial site can result in disciplinary action by the Event Committee. It is expected that exhibitors will clean up immediately after their own dogs and strongly encourage others to do the same. All owners/exhibitors should be aware that the entire motel grounds and RV sites are considered within the trial grounds. You will be responsible for all damage to your room/site and may be subject to disciplinary action in accordance with the rules of the AKC. Any abuse of the grounds will be brought to the attention of the trial-giving club and its Event Committee. Any exhibitor's entries may be refused for previous misuse of the motel or RV facilities. This is an AKC supported measure.
